DREAM ADVENTURE!
GOD EMBASSY

OBJECTIVE:

To teach children that God has unique and purposeful dreams for each of them, and to encourage them to trust in God's plans and pursue their dreams with faith.

MEMORY VERSE: JEREMIAH 29:11

For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

INTRODUCTION:

Begin by asking the children about their dreams and aspirations. Discuss the excitement and importance of having dreams and goals.

Explain that God has special plans for each of them.

JOSEPH

THE DREAMER

BIBLE STORY:

Read the story of Joseph from Genesis 37:1-11. Highlight how God revealed Joseph's dreams and how they eventually came true. Discuss the lessons we can learn from Joseph's story, such as trusting in God's timing and faithfulness.

DISCUSSION AND APPLICATION:

Engage the children in a discussion about their dreams and how they can align them with God's plans. Encourage them to think about how their dreams can bring glory to God and serve others.

Discuss the importance of seeking God's guidance and trusting in Him as they pursue their dreams.

FUN TIME

GAME 1:

"Dream Charades" - Write various dream-related words or phrases on individual cards. One child picks a card and acts out the word or phrase without speaking, while the others guess what it is.

GAME 2:

"Dream Collage" - Provide magazines, scissors, glue, and large poster boards. Have the children cut out pictures or words that represent their dreams and create a collage on the poster boards. Encourage them to share their collages with the group afterward.

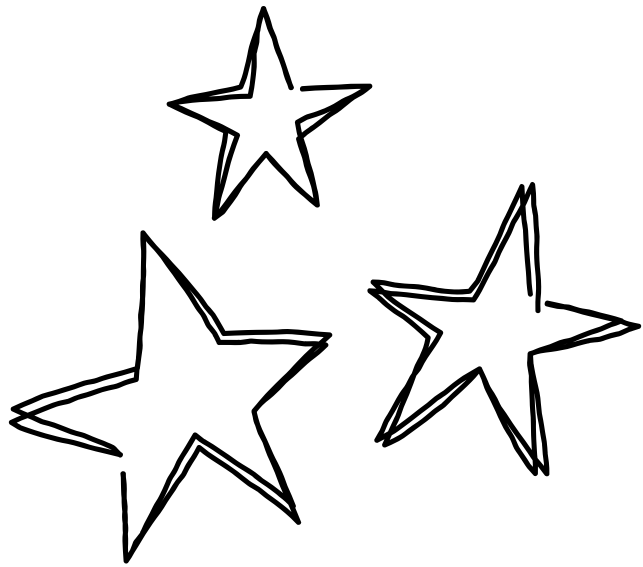

GAME 3:

"Dream Relay" - Set up a relay race with different dream-related challenges at each station. For example, they can solve a puzzle or answer a question related to dreaming. The team that completes all the stations first wins.

GAME 4:

"Dream Tag" - Play a modified version of tag, where one child represents a dream and others try to tag them. When tagged, the dream transfers to the one who tagged them, and the game continues.

DRAWING ACTIVITY:

Provide each child with a blank piece of paper and art supplies. Ask them to draw a picture of themselves pursuing their dreams with God's guidance. Encourage them to include symbols or words that represent their dreams and how they involve serving others.

Afterward, invite volunteers to share their drawings and explain what they represent.

CONCLUSION:

Recap the main points of the lesson, emphasizing that God has plans and dreams for each child.

Encourage the children to trust in God's guidance and pursue their dreams with faith, always seeking to bring glory to Him and bless others.

Close with a prayer, thanking God for His plans for each child and asking for His help in following their dreams.
