

# KIDS ZONE

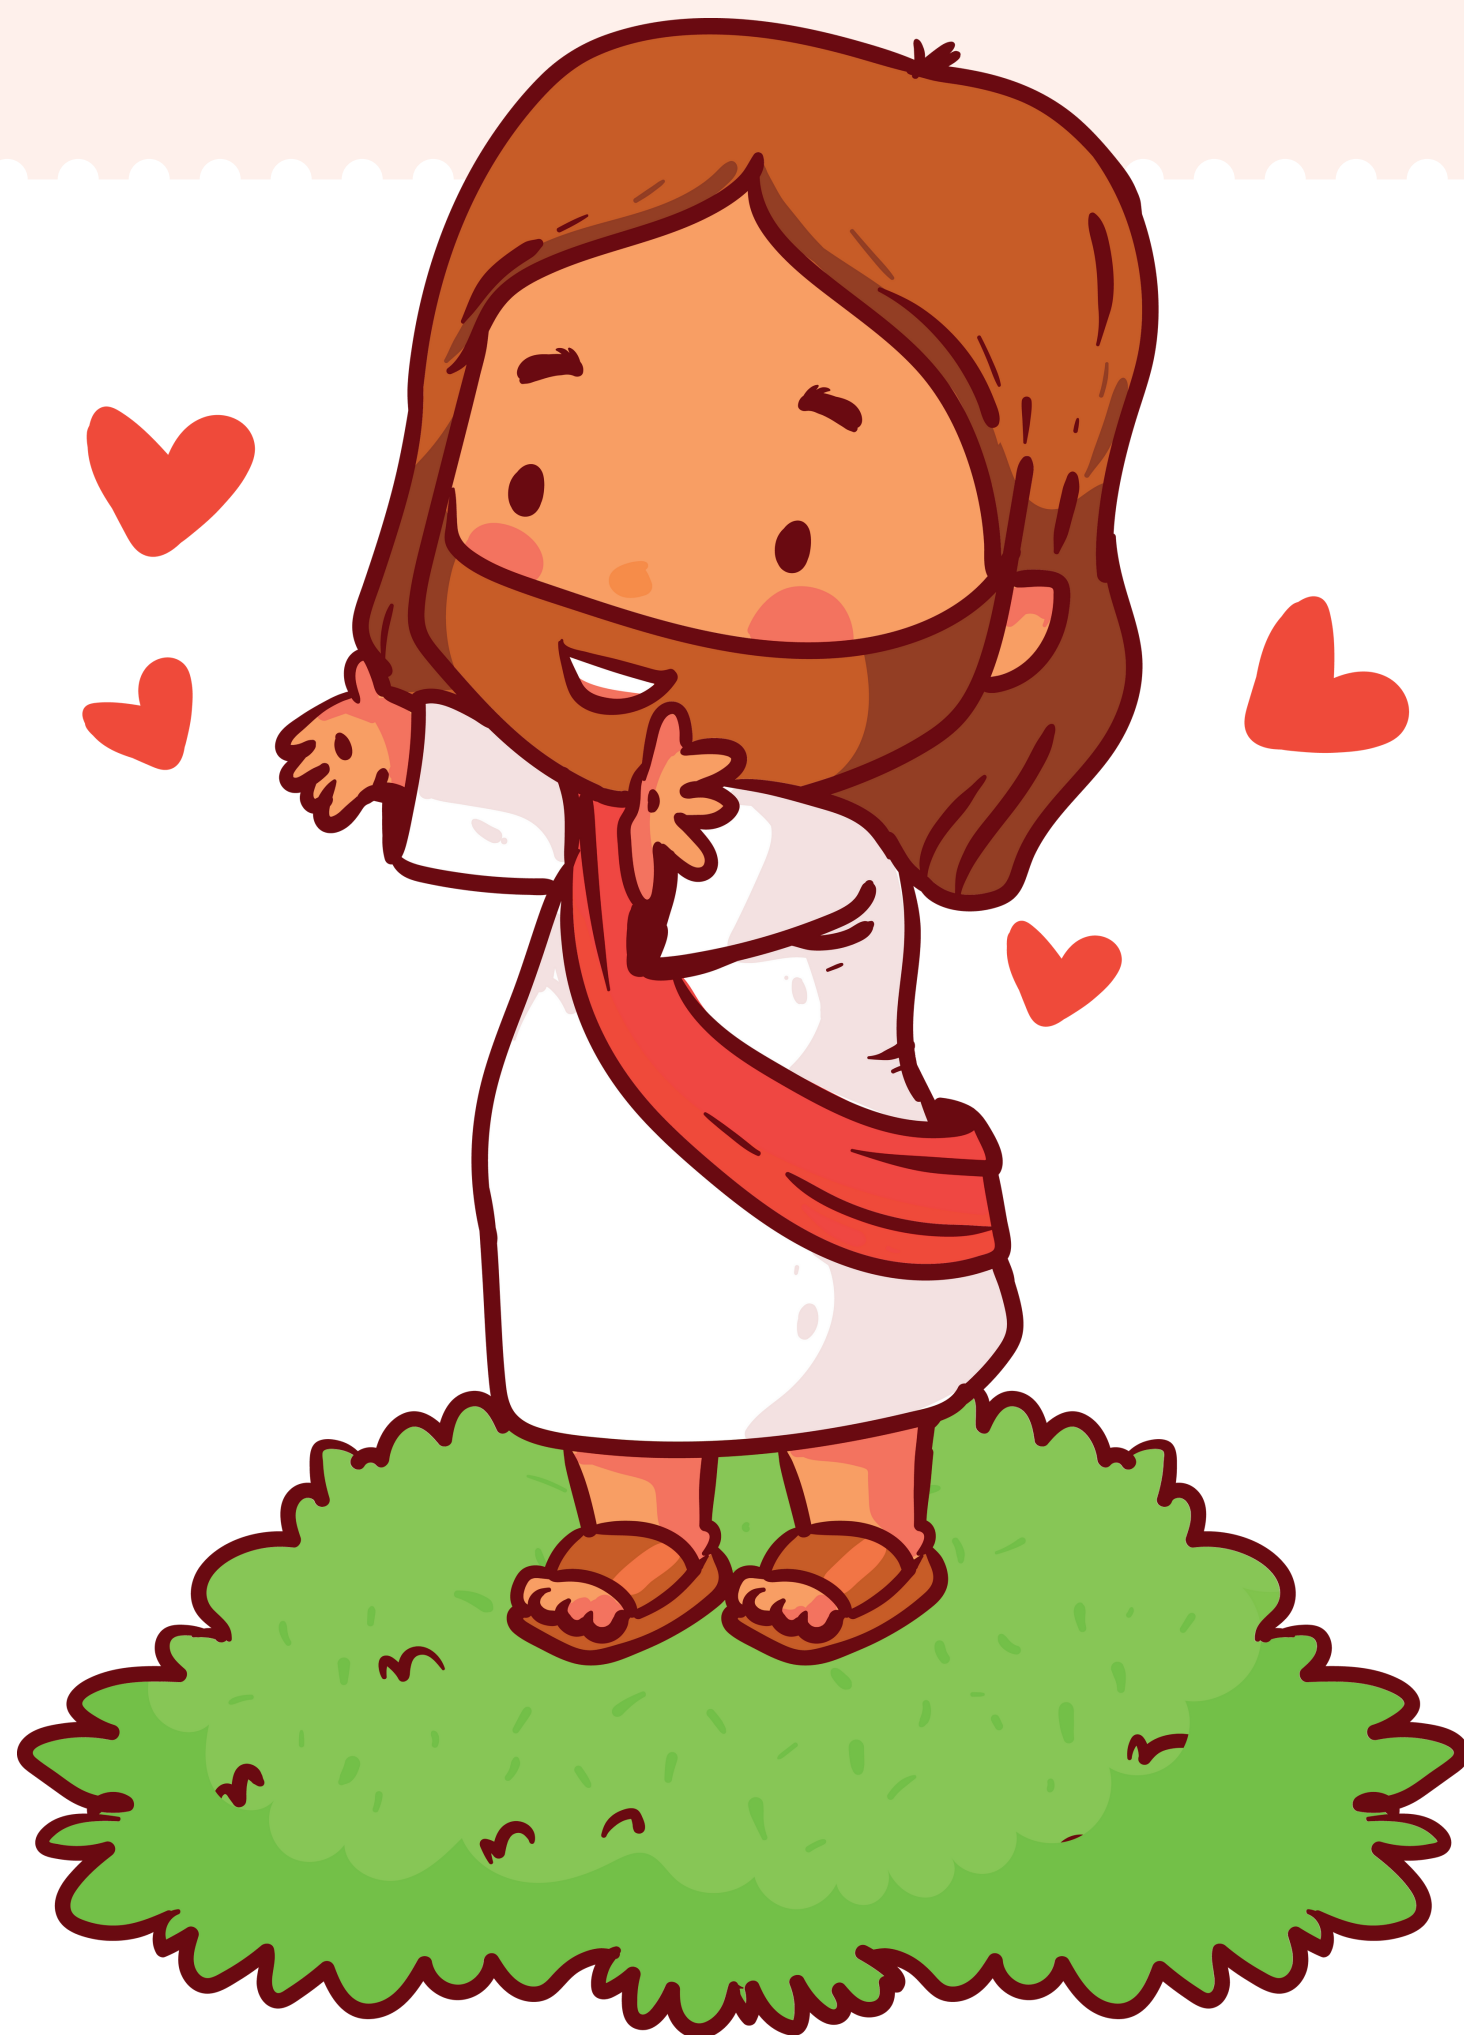

**JESUS SEES & LOVES US**  
**GOD EMBASSY**

# LESSON 4: Sharing Jesus' Love with Others.

**OBJECTIVE:** To encourage children to share Jesus' love with others and be a reflection of His love in their daily lives

## BIBLE PASSAGES:

### MATTHEW 5:14-16

## INTRODUCTION:

- 1. Begin by discussing the concept of being a light in the world and how light can brighten darkness.**
- 2. Explain that Jesus wants us to be like a light, shining His love to those around us.**

## LESSON:

- 1. Read aloud Matthew 5:14-16, emphasizing the idea of being a light in the world.**
- 2. Discuss the passage using questions such as:**
  - **How can we be a light to others and show Jesus' love?**
  - **What are some practical ways we can share Jesus' love with those around us?**
  - **How can our actions and words reflect Jesus' love?**

# FUN TIME

## **ACTIVITY 1: RANDOM ACTS OF KINDNESS**

- 1. Discuss with the children different ways they can show kindness to others.**
- 2. Encourage them to choose one act of kindness to perform during the following week.**
- 3. Provide each child with a small "Kindness Journal" to record their acts of kindness.**
- 4. In the next Sunday School session, invite the children to share their experiences and how they felt about sharing Jesus' love with others.**

## **ACTIVITY 2: MIRROR REFLECTION**

- 1. Ask the children to stand up and form pairs, facing each other.**
- 2. Explain that in this game, one person in each pair will be the leader, and the other person will be the mirror.**
- 3. The leader will perform various actions and movements, and the mirror should try to mimic or reflect those actions as closely as possible.**
- 4. Encourage the leaders to choose actions that reflect kindness, love, and positive behavior, such as giving a friendly wave, hugging themselves as if giving a self-hug, or smiling.**
- 5. After a few minutes, switch roles, allowing the mirror to become the leader and vice versa.**
- 6. Encourage the pairs to be creative and have fun while demonstrating acts of love and kindness through their mirrored actions.**

## **ACTIVITY 3: KINDNESS HUNT**

- 1. Explain to the children that they will embark on a "Kindness Hunt" to find acts of kindness happening around them.**
- 2. Divide the children into small groups and assign a specific area for each group to explore (e.g., the Sunday School building, church grounds, or a designated indoor area).**
- 3. Instruct the groups to move around quietly and observe their surroundings, looking for examples of kindness happening around them.**
- 4. Examples could include someone helping another person, sharing, comforting someone who is upset, or showing respect to others.**
- 5. Encourage the children to discuss and share the acts of kindness they discover within their groups.**
- 6. After the hunt, gather the children together and allow each group to share their findings with the whole class.**
- 7. Discuss how these acts of kindness reflect the love of Jesus and encourage the children to continue looking for and practicing kindness in their daily lives.**

## **ACTIVITY 4: KINDNESS HUNT**

- 1. Have the children sit in a circle.**
- 2. Explain that in this game, each child will have a chance to share something positive, encouraging, or loving about the person sitting on their left.**
- 3. Start the game by choosing one child to begin. They will turn to the left and share a kind word, compliment, or encouragement about the person next to them.**
- 4. After the first child shares, the person who received the kind words will then turn to the left and do the same for the next person, continuing around the circle.**
- 5. Encourage the children to be sincere and thoughtful in their compliments and encouragements.**
- 6. Continue the game until every child has had a chance to receive and give love and encouragement.**
- 7. Emphasize that this game demonstrates the importance of uplifting one another and reflects the love of Jesus through our words and actions.**
- 8. These games for Lesson 4 encourage children to actively practice and reflect Jesus' love in their daily lives through acts of kindness, encouragement, and love towards others.**

## **ACTIVITY 4: LOVE IN ACTION DRAWING ACTIVITY**

- 1. Provide each child with a sheet of paper and coloring materials (pencils, markers, crayons).**
- 2. Explain that in this activity, the children will create a drawing that represents how they can show love in action, just like Jesus taught us.**
- 3. Encourage the children to think about different ways they can demonstrate love and kindness to others in their daily lives.**
- 4. Instruct them to draw a picture that illustrates an act of love in action. They can depict themselves or others engaged in these acts.**
- 5. For example, they can draw someone helping a friend in need, sharing toys with others, comforting someone who is sad, or being inclusive and playing with someone new.**
- 6. Encourage the children to add details and colors to make their drawings vibrant and expressive.**
- 7. Once they have finished their drawings, allow the children to share their artwork with the rest of the group.**
- 8. As they share, ask each child to explain the act of love they depicted in their drawing and why it is important to show love in action.**
- 9. Display the drawings in the Sunday School room as a visual reminder of the love and kindness Jesus calls us to demonstrate in our daily lives.**
